

THE 27TH **RHUBARB!** FESTIVAL

FEBRUARY 2-20, 2005

**MAY CONTAIN TRACES OF NUTS**

8PM, THE CABARET  
 written and performed by Shawn Hitchens  
 directed by Andrew Lamb

For the indecisive, the grocery store is a Purgatory fueled by florescent lighting, under-aged workers and excess packaging. Jeremy brings a list but he still questions everything from nutritional content to cost. While grazing the aisles, Jeremy examines his healthy and unhealthy relationships with food, family and men.
